Please make a donation to the Matthews Hall modernisation fund...

To do the work, we need
to raise £185,000 excluding
the expenditure on providing
disabled access and toilets
which we plan to raise by
applying to specialised charities.

All donations large or small
are valuable and vital to this
project.

Join the 100 Club

The 100 Club is for local groups
and individuals who donate
£1000 towards the
modernisation of the hall.

Your generosity will be recorded
permanently in the hall.
